“ Kerry was one of those guys you just loved being around. He kept everyone laughing and you knew that when he teased you, he was doing it because he liked you. He was one of the best athletes I ever had the chance to play ball with and I am glad I got the chance to cross his path in this life. I had not seen Kerry for over 10 years when I ran into him this summer. It was as if we had never been apart - he was the same wonderful guy. I will miss my friend.

“ Kerry and I played ball together for over 5 years. He was a great team player and leader. he was all about being a team, building players up and being there when you needed him. Most important he was a great friend. I am very saddened when I got the news of his passing. Kerry or hags as we called him. The world has a lost a very special person and you will be missed dearly. Your friend and teammate forever. Mike Crouch.

“ My condolences to the entire Seiber family. I had the pleasure of playing several seasons of softball with Hags(Kerry) and he was a great teammate and friend. He always played the game with that infectious personality. Everyone had fun playing ball when Hags was out there. Nobody had more fun than he did. He talked to everybody....our team, the other team, umpires, fans, people on other fields...All while the game was going on! There will never be another one like him. RIP friend.

“ I feel privileged to have been able to know such a genuine caring guy as you, Kerry. Your subtle grin with a twinkle of mischief in your eye will be missed but not forgotten. Your way of playing with Chewy when you came into the office will be missed by all of us...but not forgotten. Your banter back and forth while enjoying a cup of coffee will be missed...but not forgotten. Your love for family and friends will be your lasting tribute to us who have been touched by you.
