

Ketiva Louise Lynch

June 21, 1970 - May 30, 2019

Ketiva Louise Garrette Lynch was born on June 21, 1970, and passed away on May 30, 2019. She was 48 years old.

She is the daughter of the late Billy Roy and Betty Lou Crawford Garrette.

She is survived by her husband of 30 years Bill Lynch of Pleasantville. Her 3 daughters Magen Lynch of Spring Hill, Mallory Dorton (Alec) of Nunnely, and Kenzie Lynch of Pleasantville. Sisters Susan Davis of Marietta, GA, Nena (David) Kelly of Columbus, GA, Nancy (Smitty) Smith of Buhl, AL, and Sandra Wade (Preceded by husband Jerry) of Buhl, AL. Brother Billy Roy Garrette Jr. Many nieces and nephews. Along with a host of other relatives, friends, and loved ones.

Ketiva worked as a registered nurse. In her 26 year career, she was served Maury Regional Hospital, Centerville Hospital, Nursing Director at Signature Health Care, and Clinical Coordinator at Williamson Medical Center. In these roles, she served and loved people and was a wonderful nurse.

She enjoyed many things in life. Her dogs and animals, especially her lab Knox, had a special place in her heart. She also loved to travel. The beach was her favorite destination, Destin being her favorite. She was a comedian to her family and friends, and really just loved to have a good time. Whether that

be by cracking jokes or listening to rap music or just spending time with family.

When it came to her family it can be said that she went "overboard", in that she was the best wife, mother, aunt, and friend that she could be. She was over the top. She loved spending time with her family and loved them each and everyone unconditionally.

In all this, she was a fighter. She never gave up in a 19 year battle with Lupus. She did not let it hinder her from being the best she could be in every facet of life.

In lieu of flowers, donations can be made to the Lupus Foundation.

“ *We met through work many years ago. There was an instant connection. We have kept in touch all these years. She was less than an hour from my home in Florida recently and we were going to meet up. Between her illness and mine neither of us felt well enough at the same time but we kept a positive attitude about it and said we would meet when I came north. I was here, opened Facebook, and she couldn't wait for me. I'm heartbroken for myself, her loving family and many friends, but I'm so happy for her. I know she's in heaven and feels nothing but love happiness and joy. She so should. It was not possible to know her and not love her. Even when she was feeling so badly she never let you know unless you asked. She always wanted to know how you were and make you feel better. It's unbelievable that she is gone. I am so grateful for the assurance that I will see her again. Lots and lots of love and prayers for her family and loved ones.*

“ You will be missed Ketiva! Always smiling, eager to throw parties so that work wasn't just a place of work but also a place of fun where we could celebrate each other. One of best memories is Ketiva just breaking out in a rap song! I remember the first time I heard her rapping and it was the best.

“ *Keteva was a sweet soul, spirit, and person. I will always cherish the time I was with her and was so honored to be blessed By the Lord for bringing me to her on her journey and allowing me to walk just a very small part of that with her. She adored her family and friends and being a nurse. Such a true inspiration and example to us all. Mindy Tatum RN*

“ Mrs. Ketiva was always so very kind to me. Last Christmas she gave me her candy powered Chex mix that I absolutely loved...coming from a non-Chex mix eater. She also went above making sure her girls were happy and offered what she could to ensure their happiness. Such a sweet soul that gained her wings. No more pain, and instead she has traded this life for a far more greater one with our Lord. Can't wait to see you again Mrs. Ketiva! Much love to the family.
