“ *Sorry I just found this.
Sorry if it's late
Kevin was my bunk mate and 60 Gunner for 2 years. We went thru 3 companies together (Bravo 3rd 325, Charlie 3rd 325 and finally Charlie 1st 325). At that point Kevin was skilled enough to be assigned the the 82nd Airborne pistol team firing a 1911 pistol. I still remember Kevin as a GREAT lover of Monty Python and the Holy Grail, and when the scene where the knights of those who say "NEE" would tell the knights they needed a SHRUBBERY he would laugh, because the knights found ROGER the SHRUBBIER and Kevin would tell me at the time his Father, Roger was a Shrubber. RSP Brother may your drop fields be clear and you have open skies for your last drop*

“ Ashley, all of us in the Miller family are devastated to learn of Kevin's death. Bradley found some mentions on FaceBook, which alerted us. We have so many fond memories of Kevin and all your family. We lost track of your mother, so also did not know of her death. Please get in contact with us, Ashley. “ I am deeply sorry for your loss. May you find comfort in the promise God gives us at Isaiah 25:8 which says "He will swallow up death forever." There will come a time when these words will be fulfilled. God will do away with death and never again will we have to experience the pain of losing a loved one in death.
