“ Kodi was my first Platoon Sergeant when I got to Fort Campbell in 1999, He quickly helped me settle in and get adjusted to the pace of life at the 101st. Always one to live the example of leadership, he became the to go of "Be, Know, Do." We deployed to Kosovo mid 2000 and he helped me reconcile with missing the birth of my eldest son. He talked then of how important his family was going to be in his life. Working with the radios with him helped influence my change of jobs from Artillery to Signal in the Army. See you at the RP Kodi.
