“ *Oh my, Kyle, this hurts more than words can describe. You were like a family member.. Like a little brother. You knew you could call me if you ever needed anything. A place to stay, a ride, home cooked meals, a load of laundry washed, a friend. You were here for me when my dog was put to sleep, when my dad passed away, you sat with me in court, you played with Jayden at the creek. If I didn't answer my phone when you called, you'd walk your butt to my front door.... Jayden colored you a picture today. He's convinced there must be a way to send it to Heaven. You and I had a falling out a few months ago, you were having a bad day, but a couple weeks ago you got in touch with me and you apologized and you said thats not something you would normally do, but that you've got nothing but love for me, said you missed your friend. I'm so grateful for that.. Fly high Kyle... I've got nothing but love for you.*
