“ Going to miss you my friend. You were like a brother to me. Going to be hard to live day to day without you being there for me to talk to and to laugh with. You are in a better place and i know you will be looking down on all of us and giving us a helping hand when we need it. You were always there when i need you and God has called a great one home. Miss you my friend please say hi to my dad for me he love you so much. My life was blessed for having you in it. Thanks for being my friend .
