“ *I am so sorry for Larry's passing. I thought the world of him. He and I were always buddies. I have not seen him in years and sorry I have not. Maybe in a small way I could have made him smile as we reminisced of Wrigley ballgames and East Elementary stories. I can still see him walking down the hall for he always had that "distinctive strut" and "mischievous smile". He is gone but will not be forgotten. May God and be with the family and wrap love and comfort around each of them. Rest in Peace my dear friend.*

“ My name Is Kay Warren. My sister, Sherry Winn and Larry were together for almost 25 years. They gave us our angel, Will. I have many fond memories of them but I guess the best was one Xmas when Will was small Larry bought Will a golf Kart. He rode all over the hill on it and that Xmas they came riding up with Xmas hats on to show us the Kart.  
Everyone was smiling and Will rode that Kart until he wore it out. Larry, I know you were in a lot of pain. Now God has taken it away and taken you home. Please look down on Will and watch over him.

*Rest high in heaven with no pain,*
