“ *My Forever Friends Susan & Jane Ann,*

Time and miles have separated the friendship we once had. The cherished memories will never disappear. The spend the night parties, vacation to Panama City, playing in your front yard with a foot of snow and your Mom giving us clear plastic & rubber bands to keep our feet dry (no boots or make do snow boots) are just a few special memories. I loved your Mom & Dad so very much! Thanks for the memories. Love and prayers are with you and your families.

*Friends Forever,
Carolyn White Wilbanks*
