“ Elton was a big part of our life. I think that's why my heart hurts. My son is 17. Elton used to drive his Harley to work. The first time he did. ... I told him you can't park that on this place. He said Stacey I have to because I have to get on the tractor. I said Okay Elton.

“ Elton was so many things... always great... he used to needle my son when he drove his bike to work. my son was probably 5 or 6 and Elton use to pinch on his belly.... He told my son... your daddy doesn't love you and when my boy started crying or maybe before .... Elton told the boy your daddy was going to leave him on the side of the road. Elton would say "Boy, your daddy don't love you and is gonna leave you on the side of the road" It was thier thing My son and Elton.. Grady would appear and say Boy Elton is kidding you. My husband Grady and Elton would laugh together.
