“ *Leonard will certainly be missed. One could not ask for a better friend and neighbor. He was always laughing and telling jokes. I will miss shouting out to him from my mailbox, waving each time I leave, and hanging out with him and our other neighbors just having a good laugh and enjoying life.*

My collie always looks across the street and wants to go over to his house. She loved Leonard so much and was beyond excited to go see him. I asked her once when we were over on his porch for a while if she was ready to go home to see her daddy (my husband). She turned around and nearly jumped up in Leonard's lap giving him her puppy kisses. He was always giving her hugs and rubs.
