“ *I'm sending condolences from East Peoria, Illinois. Would have loved to come in person to pay my respects to the man who's responsible for me being here today, "in Caterpillar country". So many memories flood my mind today. All good, but impossible to put down here. One talked about most among us is the fact that Leroy could be at work on second shift, call his wife, Nell, and say, let's go to Tennessee. She'd be packed and they'd leave as soon as he got off work. Leroy had a great personality and will be remembered fondly all my life. God bless him and his loved ones. Would have been there except for the scary weather forecast. Love ya'll, Paul and JoAnn*
