“ I feel as if she was my Granny as well as Helen's. I have wonderful beautiful memories of a lovely, caring, tough as nails, Christian woman who always gave more than she received because she wanted to. We are all lucky to have just been allowed to know her.

“ Dear Billie Jo, I just learned of Granny's death. My heart is broken. She was always my other mother and I could go to her with anything. I loved her logic and views on life. I think my outspokenness came from her. It sometimes still get's me into trouble but what the heck - life is too short.

“ To Billie Jo and Johnny and all of the family. I did not know Mrs. Broadway personally, but do know that she was a good hairdresser. And am very sure that she was a good Mother, or Billie Jo would not have turned out as she did. We have not seen each other in years but I think of you often and just recently asked Sammye Jo Lawson about you, in an e-mail--- Sammye and I are on some of the same 'myfamily.com' sites Johnny, pls. say hello to Jo Ella for me and ask her to send me an e-mail. I will have your entire family on my prayer list through this sad time. With love, Anne
