“ Dear Watermelon and Family, You all did a great job in providing the best care out there for your Ms. Lillian right up to the end. Now that your Labor of Love is complete may God now go to work to heal your hearts as you travel on a grief journey for a while. Thank you for inviting us into your home to serve Ms. Lillian's needs with you. God is the only one who totally understands what you are going through--He being the "man of sorrows." Since He is acquainted with all our griefs He knows just what we need. Remember to remember to continue to tell the beautiful stories that brings smiles and joy to your hearts. Since Jesus knows and cares -- Better days are ahead. May the Lord bless you and keep you and may He send His wonderful peace to fill your hearts. For Hospice Compassus, Eddie Rogers, Chaplain
