“ I'm so terribly sorry to hear about Mrs. Griner. She was an amazing lady that was always there to help and to listen. It didn't matter if she had a million things to do, she would always stop what she was doing to help or to listen. Hampshire will never be the same without her there.

“ When I transferred to Hampshire in 2003 I was nervous and nearly friendless. Mrs. Griner's warm, mothering nature comforted me immensely while I became adjusted to my new school and that building will never be as warm, welcoming, or beautiful without her presence. It isn't often that we meet someone so selfless, accepting, and kind. Joshua and I are proud to have had her as our teacher.

“ Mrs. Griner was the best art teacher I've ever known. I missed her when she had meetings and we had to have a substitute teacher. She taught me how to draw. I love her and I miss her.

“ Mrs. Griner was an awesome teacher to have encounter throughout my years at Hampshire. The fondest memory I have is when she was my first grade teacher. She asked us what we wanted to be when we grew up and recorded our answers. When I was in the 6th grade and had her for resource, she pulled out the tape and played it for us. She made sure we were able to learn and understood what she was teaching before we left her side. She was truly a loving and passionate teacher. She will be truly miss within my heart and the other students lives as well as the community of Hampshire. Rest in Peace, Mrs. Griner.

“ I am saddened by the loss of such a great role model. She truly was an inspiration to me as I grew up at HHS. She pushed all art studnets to do their best and truly loved her work. She was also one of my classes homeroom teachers. She was always willing to go above and beyond. I remember she worked so hard for our class as we planned the carnival booths we had every year as well as with prom our junior year. This is a great loss and she will be sorely missed by the community.

“ Mrs. Griner was the first teacher I had after coming to Hampshire. There couldn't have been a better teacher or person to help welcome a new student to the school. That was over 20 years ago and I know she had that kind of impact on students before me and ever since. Mrs. Griner you will be sorely missed.
