February 20, 1977 - July 30, 2023

Lisalee Elizabeth Curry was born in Maryland on February 20, 1977 to the late Steven Jackson and Brenda Davis. She entered eternal rest in Memphis, TN on July 30, 2023 at the age of 46 years.

Lisalee loved God, her family and life. She loved to cook for her family gatherings where everyone had a favorite dish. Some of those are Mexican food, cucumber salad, stuffed shells, fried chicken and chicken nuggets. She loved listening to music and dancing around the house as she cared for her family and did her chores. She enjoyed nature and loved to fish, ride the backroads and go horse riding.

Lisalee will be greatly missed by all who knew and loved her. The family is honoring her wishes with cremation and no formal services are planned at this time.

I like to share with everyone, I was given a cabinet with a burning candle inside. I am going to have Lisalee Elizabeth carved into the glass in her memory. I went to food lion yesterday in Compton MD, so many dragonflies around me in the parking lot, one landed on my windshield. I lost it so many memories starting hitting me. A lady asked me if I was ok, she placed her hand on my arm I was so choke up hardly could speak. She started praying then we chatted, She also lost a love one the same day as Lisalee. This was god will for us to meet and comfort each other in the time of need. To complete this on my way out in the breezeway, I seen big white GUMBALL on the floor. I pick it up, Lisalee called my mom GUMBALL. So when I got home I opened Lisalee candle door and put gumball with candle. To come to realize My mother was their to help take Lisalee all the way home to heaven. "Thank you mom". Lisalee has accepted she was needed in heaven, Her work was done here. Please everyone take the time and listen to DANCING IN THE SKY by Dani and Lizzy. My song to my daughter Lisalee Elizabeth RIP momma loves you

“ There is actually 1 memories that stands out to me. When we were 11/12 years old we lived on manning court near Genny. Genny's next store neighbor was about we both had such a bad crush on. Alex Hardin. He asked Lisa out one day and gave her a rose and I got so jealous... I chased her down, across the road , up the neighbors yard and she jumped thier fence thinking I couldn't get her, well I was right on her tale, I jumped that fence and grabbed the rose and got half of it lol... I still have that stem to this day. We laugh so hard about it... we never fought, it was just so funny how I caught up with her.....

“ I have memories of my first born daughter Lisalee, The day she was born 2-20-77. I loved Lisalee so much and so proud to be her momma, Always picking on her brother Steven. She was always so happy since she was a baby. When she was born I was so proud. My mom and I was pregnant at same time. Lisalee and Lashalle were sisters, same clothes and toys. did everything together in life. One precious time in my life was both the girls was Clogging for the Floggy Bottom Cloggers Band Lisalee always had that skip with one foot. Always taking Lisalee and Lashalle place to place to perform. She also was know as being called TURKEY. When she had Sherrylynn she was a proud peacock and then came Brooke and Levi. She loved her kids more then life itself, made sure she was involved in theirs lives a great proud mother. Lisalee was also known for making Stuff Ham." She loved life so much". She enjoy riding horses, and lord the way she loved picking on her brother and Lashalle. She always was so excited as a child to go see Uncle Serge and Aunt Genny " her 2nd Mom. “ I have so many memories with my niece it would be hard to mention just one. The one thing I can say is she loved, with everything in her. She loved her children and her family unconditionally. Her personality was always happy, smiling and goofy. She loved making people smile and laugh. She was so beautiful inside and out. Me and her was attached at the hip from the first day we were born. I am going to miss her tremendously. Lee I hope you rest in peace , I love you more than you will ever know, aunt celery! ❤️❤️❤️❤️❤️
