“ *He was a good kid with a bright future and two great brothers and whatever happened is over, but it is a shame that he went so young. I knew him for three years or so, because we rode the bus together. Its a shame that he went so soon. I send my condolences to the family.*

“ I came to know Logan & Ashten when they moved to Cosby & enrolled at Smoky Mountain Elementary School. Logan graduated 8th grade there. When he moved on to Cosby his Freshman year I lost contact with him until his Sophomore year when my son became a Freshman at Cosby. He & my son Cooper Stuart spent many a days fishing & spending time at each other's homes. Logan became one of our children & will be deeply missed. Fly high son until we meet again. 😭

“ I taught Logan when he was in 9th grade at Cosby High. After he moved on to 10th grade, almost everyday, Logan would come by my room at school and ask if he could come back to my class and to laugh and joke with me or some of my students. He was a friend and teammate to my son, as well. His presence will be missed. My thoughts and prayers are with all of you.
