“ Sammy,
Mom & I are so sorry for your loss. Your dad was a very special man, just like you are. I remember having a blast babysitting for you during the summers at your house on Kansas Street. You have been through so much the past few years no one should have to go through. Remember your Kansas family loves & cares about you. I often think about you and wish we could get connected again. Once things settle down, think about getting on Facebook or e-mail me. I miss & love you. Take care of yourself first.

Love, Your Cousin, Chrissy Maier & Great Aunt, Frances Maier
