“ Our family was saddened to hear of Loretta's passing and my Mother is devastated over the news. I would have had Mother at the funeral today except she recently fractured her hip and is currently in a rehabilitation center. I have such fond memories of her and Mother drinking coffee most weekdays when we were kids in the early to mid 60s as our families lived two house apart from one another. Our hearts are broken as well. Peace to you all in the days and weeks ahead. We love you all and Loretta, you will be so missed by your buddy Dee.
