“Lori was an outstanding human being, I always thought very highly of her. She left an amazing husband and beautiful family behind and this community will forever remember her. I had no idea she was sick or even fighting that ugly disease that takes so many of us. This is truly devastating news to hear of her passing. May God wrap his arms around her beloved family and comfort them in this time of need. I’m keeping them all in my prayers for the days and weeks ahead. “Lord please comfort them, especially Jonathan and their children” Amen.
