*Mrs. Gammons I wish you a safe passage. Your Granddaughter's heart is broken. You were so much more to her than just her Nanny! She loved you like a Mother, like a Sister and most of all like a Best Friend. A big part of why she is who she is because of the love, care and understanding you gave her. Please always know I will keep her safe and the memory of you will always be there to comfort her. She said she wished you could live forever...and in her heart you will.*
