“ *Ms Louise was such a joy to all of us at the nursing home where she lived and we all enjoyed her very much. She would come up to my office and spend hours talking and laughing about her many tales of her life. She has enriched my life and blessed me by knowing this lady and will truly be missed by all of us. We want to send out many heart felt blessings to the family and thanks for sharing your mom with all of us. Love you Louise Williams.*
