“ Oh how I loved everyone in this family. I grew up across the road from them. Such a beautiful family and I was always welcomed by them. Glenda, Joan, Simone....I am sorry. The last time I saw her was in church. I received a huge hug and a brilliant smile. She will be missed. My prayers are with all of the family. ❤️

“ I loved Lydia so much, I was her former neighbor across the street from her before I got married and the school bought the land. She was dear to my heart, I loved her giggles when she would put her hand over her mouth and she would show me her aprons and all the tea cups. She will always have a special place in my heart. 😭❤️

“ Our deepest condolences to the family, especially Glenda, Chuck, and Joan! What more can be said, about a gracious, kind, and considerate lady, other than she carried the Spirit of God inside always.

(While in the garden of life, gather thy rosebuds while ye may).

Sincerely,

Larry, Sue, and Nicholas Ferguson
