“ To all of Mable's family; Her Son, daughters, siblings, Grandchildren and Great Grandchildren. I send my deepest sympathy. Although I did not know Mable, I am a relative. My Grandfather was the uncle of her Whitehead Grandfather; and I also am related to several of the Frazier families. I would love to have someone from the family contact me to make sure that I have Mable's family information correct in my family tree. I would come to the Funeral if it were possible, but I am in my 70s and do not have a reliable vehicle. If there is anything that I might do for any of you, please contact me. I will have your entire family in my prayers during this sad time... May God grant you many blessings. I am the daughter of Enoch L. and Myrtle Sharp Whitehead. Anne Archer-Nashville, TN
