“ *It was so nice to be able to meet you! Not many kids will be able to say they got to hold their Great Great Grandma's hand. Thank you for the kiss on the cheek and saying how nice it was to meet me! It was even better for me to be able to meet you! I will have the pictures my momma took of us as a nice memory to hold on to for years. I love you Grandma Maggie. Love your Great Great Grandson Luke*
