“ I am so sorry to read in the paper of Ms Margaret's passing. When she worked for my my mom, Ms Nellie, I always seen your mom with a smile on her face. The one day that I came in with my daughter Christy, then 1 or 2, she always gave her a quarter to put in the toy machine to see what she could get. It was usually a little ring or a ball, but to Christy it made her day happy. Christy looked forward to seeing Ms Margaret each Friday on our errand day. I will miss seeing her smiling face. I am so sorry that I did not know sooner or I would have came to the services. R.I.P. Ms Margaret. We love you. Janie

*We lived next door to you in Ypsilanti. Thomas was born about 6 weeks
before my son, Steve. Barbara was born while we still lived next door. I
was wondering about you kids and decided to see if I could locate John
Willie, and that's when I found this obit concerning your mom. So sorry
to hear of your parents passing. I hope all you kids are doing well.
