“ My dear Aunt, she always sewed or crocheted me something when I was little. She was a true country girl from fishing, canning, cooking, gardening or wringing a chicken's neck for supper! She was so talented and will be missed dearly.

“ So proud to have known this Lady. She had a wonderful gift of making you feel loved and was the best grape jelly maker anywhere! Janet and Jamie...so so very sorry for your loss. Wish I could be there today, but you know why I can't.
Love you both,
Marla

“ Sorry to hear about Margaret's passing. Such a fine lady. I was fortunate enough to spend time with her on the Tennessee River on numerous occasions. I was also fortunate to share many meals with her at the cabin on Roberts Creek. It was evident that there was only one thing she loved more than fishing and that was her family. My prayers are with the family during this time. It was my privilege to call Margaret a true friend.
