“ *Dear Nanny,*

Im going to miss you so very much, wish you were here one more time where I can say goodbye to you,Im glad that we spent time with each other but you are in a better place then we are and you up there with Papa. Im going to miss the time that we went to church,shopping,and sleeping with my best nanny in the world.Im going to be lost with out you.And you make me laugh when we copy cat each other wish you can be here with us one more time.Im going to be lost when I have my birthdays party and you not here to celebrate it with us or have Christmas Day and Christmas Eve with me. You are my best nanny I had in the Whole U.S.A. And you are the one I have to thank you for taking care of me when daddy and mommy couldn't. "I remember when" me and you went out to go shopping and when you got home you told me that we got to go back too Dollar Tree and Save A Lot cause you forgot something. Wish you were here where I can spend one more night before you go to Heaven with Jesus and Papa.

P.S Im Going To Miss You Nanny
