“ I love and miss you my bright, beautiful Aunt Marie - you were so precious and kind - always smiling and laughing - you meant so much to me as a child when you often stayed with me when my parents traveled- you were fun, always so fashionable and loved unconditionally.

*Jack,*

*My heart is so sad and heavy to hear of the passing of my beautiful, blonde, bright and shining Aunt Marie. I have beautiful memories of her throughout my life particularly when I was very young and she was such a cool single modern working woman with the best wardrobe ever I adored the time that she stayed with me when mom and dad were out of town. Truly nothing but beautiful memories of such a beautiful, bright soul. Such an honor to call her my aunt. My sincere condolences to you and to Angel and all who were lucky enough to know and love her. Rest In Peace and God speed, Aunt Marie.*
