“ Dear Family,
What an amazing Labor of Love you all have just completed as you provided the very best care right up to the last step of her journey. Now may the God who loves the broken hearted now begin the process to heal and restore your hearts as you travel on a grief journey for a while. May He grant each of you a truck load of memories and an abundance of people who will listen carefully as you share them. May He send His incredible peace to fill your hearts. May the Lord bless you and keep you. Psalm 5:3.
