

Martha H. Hinson

November 13, 1925 - April 2, 2016

Martha Hinson, age 90, of Centerville TN, passed away April 2, 2016. Martha was a devoted wife for over 50 years, a loving mother, grandmother, great grandmother and friend. Preceded in death by her husband, Leland Hinson. She

is survived by her children Richard Hinson (Carla), Susan Watson, grandchildren Jennifer Solesby, John Hinson (Laura) and 5 great grandchildren. Her greatest joys came from the love of her family, traveling, golf, cooking, reading and her art. Her laugh filled a room beyond measure. Anyone who heard it would agree.

Martha was a native Tennessean of boundless enthusiasm and imagination. Although she had no formal art training, Martha developed her skills on her own, thus making her style and techniques truly hers. She first came to the attention of craft fair devotees with her unusual painted rocks. She then turned her talents to oils. In 1978, Martha was commissioned by the Hyatt Regency to produce a series of historical portrayals of the Nashville area.

Martha then added the arts of etchings and engravings to her repertory of talents and conducted an etching and engraving workshop Ouachita University in Arkadelphia, Arkansas.

Martha Hinson lived an amazing, full life and gave so much to everyone she loved.

“ *Martha was someone I looked up to with her beautiful art, fun personality and care free spirit. I always loved cutting her hair for she kept me in stitches laughing. When I think of her, I think of the happy times we spent laughing. I have several paintings she did and every time I look at them, I think what a pleasure it was to be around her.*

Susan, Merl and family, please know my heart is saddened for all of you but so thankful for the beautiful memories you have to cling to.

*God bless,
Sheryl McCaleb Waugh*

“ *She was a mom to someone she didn't have to be. And that someone was me. I will be forever eternally grateful. For the love and compassion you have shown me and the many things you taught me. It is because of you and Pa (Leland Hinson) that I am still alive to this day. I would not trade the time I spent with you and Pa for nothing in this world. Thank you for believe in me. And letting me be apart of your family. Pa and you are treasures that no money can not buy . Only those who knew you will ever experience. We were blessed to have had that experience. Gone but never to be forgotten. Always in our hearts. I love you always.*

“ I remember what a competitive golfer she was when we were kids. Many happy memories of Martha, Nina Harney, Dee Dee Coleman and my Mother playing golf at Skyview. I still have a stone she painted when she first began her art career. Love you Susan and Merle and family.
