“ I loved Mary with all my heart. I didn't know about the funeral in time to go, I'm sorry for that. I'm so proud to have known her and had her in my life. She was the nicest lady in the world to me, when I was just a kid, living with my dad and no mother. She would talk with me, even took me to the emergency room one time when my dad was to drunk to even considered it. She was the greatest and will always be in my heart. RIP, in heaven where I know you are with all the other angels.

“ To Jimmy, Angela and family
Mary was one of the sweetest, kindest, and most intelligent ladies I had contact with during my childhood at West Fork. I have so many fond memories of times spent waiting for the bus at "The Store", and also having her as a Sunday School Teacher at Mt. Joy. I know your family will truly miss her; but she leaves behind a wonderful legacy.

“ Ms. Mary was absolutely one of the most special and sweetest ladies that it has ever been my pleasure of knowing. She was my friend, my neighbor, and my second mother..I will always treasure the many hours we spent together and the wisdom and great advise that she so freely shared with me over the years...I will forever be grateful for the times she spent taking care of me when I was sick and even though she was ninety years young at the time, she was always there to help me in any way she could.. She loved her family, her friends and her Lord and Savior, Jesus Christ...She was a Christian Lady in every sense of the word and a fine example for her grand-daughters, which she loved with all her heart, to follow... I will miss her every day until we meet again on those streets of gold...My heart and my prayers go out to her children and grand-children...
