“ Aunt Mary Jane was one awesome lady whom we loved dearly. She suffered much sadness but always bounced back. If a project needed doing she would tackle it and yes even complete it. The words "can't and no" didn't seem to exist in her vocabulary. A much admired and loved Christian woman.

“ I love my Aunt Mary Jane. She was a strong woman in life. She was a strong worker and took very good of our family. When someone got sick she was right there to take care of them. I loved staying with Aunt Mary Jane and my Uncle Jim when we came up every year when Earl and I was first married. She was a mess and so funny. I want you to know she was a great cook. She really loved her children. Aunt Mary Jane was a very good woman and will be missed. Jim you have taken very good care of your mother in her later years. Bye Aunt Mary Jane, I will see you again one day.
