“ I’m utterly shocked and deeply saddened by Mary Nell’s passing. We talked regularly through her treatment and I knew something was off when I couldn’t get a response from her. Mary Nell was one of my oldest and closest friends. We met in college at UTM freshman year and have been in contact ever since. She was as good of a person as you will ever find. She was always fun to be around and was one of the best cooks I know. We would use the kitchen in the dorms to cook meals for the wider group. Some of my fondest memories is of us riding around Martin in that white Saturn she used to have. She leaves a void in this world that I don’t think anyone can ever fill. I can’t say enough about her to explain how much she’s going to be missed. I send my condolences to her Mom, Dad, and Family. I hope wherever she is, she’s at peace and knows she will always be loved.

“ Mary Nell, you will surely be missed. Your personality was like no other. A true gem. We're met back in 2003, you were a cook (a wonderful cook, might I add) and I was a server. We clicked instantly. I'm heartbroken and will miss you dearly! My condolences to your family! Love you always.

“*Mary Nell was a unique individual. She had an unmistakable sense of humor and delightfully tasty recipes. The people she loved were very important to her so if you're reading this, I have to imagine that includes you. She will be missed incredibly but keep faith that we'll all be reunited eventually - in the blink of an eye even, cosmically speaking. I pray for peace and understanding to everyone who will be missing her.*
