“ My dear mother has been gone over two years now. I found this site now and was amazed that reading of her passing made me feel as if it had just happened. Every day that goes by, she is mentioned by a family member while remembering something she would say or do. She truly touched our lives with her outgoing personality and her lively manner of living. She instilled in all of us to "live" as long as we can, for there may come a time that we don't live, we just exist. She is greatly missed by all of her family and friends. We love you, Mama!

“ Dear Betty and family: I am sorry to hear of the passing away of your mother. I always enjoyed taking care of her when she was in the nursing home and as a home health patient. She was a very special and sweet lady and I know she will be greatly missed by you and your family. You all will be in my thoughts and prayers during this time of sorrow.
