“A butterfly lights beside us like a sunbeam. And for a brief moment its glory and beauty belong to our world, then it flies on again. Though we wish it could have stayed we feel so blessed to have seen it”. Author unknown

Mary was so unique and special to so many. She was so kind and helpful to my 11 year old grandson when he lost his mommy in March 2012, I will never forget how she took time listening to him in his grief. That was all he wanted was for someone to listen to him. What a lesson.

Sunday, December 29th around 6PM I spoke with Mary for the last time, she was happy. Happy with her life and happy Rusty was feeling better. We made plans to see one another after New Years. I had an opportunity to tell Mary how much we all loved her and what a difference she had made in my family's lives. I thank God for allowing me that opportunity. For He was the One who had placed her on my heart.

“ *Dear Mrs. Acreman and Erika and Ida,
I am so sorry for the death of your beautiful daughter and sister. Mary worked with me in th Emergency room a long time ago. I had the chance to not only see her at work , caring for others , but have also been a guest in her home. She was a gracious hostess and an excellent friend to those of us blessed to know her. Her undying love of helping was also a blessing to the animals who by chance entered her life. I know that we are never ready to give up a treasured love one. In Mary's short life, she accomplished so many of her goals and dreams. She was beautiful to me , inside and out. I am truly sorry for all of you and will pray that God comfort you during this time. We loved her a lot. She is already greatly missed. Sincerely, Pam Scott Turner and Bobby*

“ *This is such a shock to our community, she will be sadly missed. I remember taking some nursing classes with her and other nurses and she knew what she wanted out of life and was very determined to obtain that goal. Like others have said she was always smiling and would speak anytime she seen you. She also loved animals so much and didn't like them to be abused. Now we add another angel to watch over us. May God bless your family as the next days will be tough. We will see you in heaven someday, rest in peace now.*
