“ *Mayzelle was the first one to show me where my fried chicken came from. Needless to say I have a hard time eating fried chicken to this day. She would let me look at the sears catalog when I came down to visit. We both was excited when they got a indoor bathroom . I have a few great memories that will last me a life time. When Mayzelle and the family would come up to see Grandpa Parker, the stories would fill the room with smiles and laughter. Mayzelle you will truly be missed by everyone who has ever came across your path in life, from your beautiful smile, to your amazing hugs. I know your home again with Grandpa Parker and the rest of the family. Love Roxann Crayne*
