“ *Patricia,
We know where she is today, because we know the life she lived. I was blessed to have benefited from her teaching Sunday school, from her example of how to quietly make a big difference in other people’s lives, & to be a lone voice in a crowd when a wrong was happening to the defenseless. For over 50 years I have known, respected, & admired your mother. Hers was a life well lived.*

*May God bless & comfort you,
