“ We called her Renee. She was so beautiful from a baby until the day she left us. She lit up the room with her beautiful smile each time I had the opportunity to see her. I've known her all her life, but she lived several different places after growing up and we didn't get to visit often. Her mom, Betty is a cousin on Moma's side. Betty has faced many trials during her life, now including losing her 3rd, and last, biological child. My heart aches for you Betty. Allow God to comfort and hold you in the days, weeks and years ahead. Never hesitate to call me if you need to talk, cry or just to break the pain and loneliness. Renee will be missed very much by those of us who held all of your family dear. God Bless.
