“ To Doris & Wayne & your children,
We were so sorry to hear of Lisa's passing.
We knew she had been sick for some time;
but it is still shocking to hear about her. We
know the pain you must be feeling for it
seems parents should die before their children, not the other way
around. We know she will be missed by all the relatives and friends
especially all the lives that touched her and she with them. May God
be with you and comfort you during your sorrow and loss. Our
prayers are for you all during this sad, sad, time in your lives.
Sincerely, Margaret, Wilson, and Donna Jenkins
