“ *Starr was such a sweet, soft hearted child. She is one of the sweetest children I have had in my 30 years of teaching. In class, she would sometimes step up behind where I was sitting and rub my shoulder or give me a hug. She and Alejandra McCann would often find me at Wal-mart and rush over to give me a crushing hug. She readily had a quiet sweet smile for those around her. She always worked hard to complete her work and would gladly help others if she could. Starr will be greatly missed by all who knew her.*
