“ Melody came to my home on Surji one night about 2am. Her and Stephanie had been out. I waited up. When she walked in I was gonna be mad and tell them off. Melody looked at me humble respectful and said hi miss Kay. I couldn't be mad love at first sight. Always welcome always consider her one of the kids. I became mama Kay. We can't imagine what she went through these past 3 months. I believe she's asleep and unconscious until resurrection. RIP my child.
