*Oh Michael I remember the first time I met you. You would get Your Gramma an ice coffee while she sat out on the piazza. I remember because I noticed that whenever she needed something you would get it for her. I thought your heart was so big. I heard you told your mom you had just moved to a beautiful place. I am happy you got to see the beauty and peacefulness of it. Rest In Peace Michael say hi to gramma and mention the “whatchamacallit” candy bars to her, she will know what you mean :-)*
