

Michael "Mikey" Wayne Thomasson Jr.

June 15, 1968 - February 20, 2026

We are filled with deep sadness at the sudden passing of Michael Wayne "Mikey" Thomasson on February 20, 2026.

Mikey was a lifelong resident of Hickman County and a proud graduate of Hickman County High School, Class of 1986. Following graduation, he began his career with the Tennessee Department of Transportation, where he worked for several years. He later spent the majority of his professional life serving as an inspector and project manager for various engineering firms. For the past six years, he was employed with Jacobs Engineering Group, where he was respected for his leadership, knowledge, and strong work ethic.

Mikey never met a stranger and formed lasting friendships everywhere he went. Though his time with us was far shorter than anyone expected, his love, laughter, and unforgettable stories will continue to live on in the hearts of all who knew him.

Golf and hunting were among Mikey's greatest joys. Whether playing 18 holes with Dalton or his Saturday morning golf buddies or spending early mornings in the duck blind sharing laughter, sticky buns, and chasing the ever-elusive "pintail," he treasured every moment. He also took great pride in coaching Dacy and her girls' softball team, embracing the role wholeheartedly and creating memories that will be cherished forever.

In recent years, Mikey discovered a love for hiking. Alongside his beloved wife, Julia, he traveled across the country seeking out new trails and bucket-list adventures, always eager for the next journey they could experience together.

Mikey was incredibly proud of his two children, Dacy (fiancé Taylor Dugger) and Dalton (Carlin) Thomasson. He dearly loved his wife of 33 years, Julia, who was his constant companion and greatest supporter. His family was his energy and his light each and every day.

He is also survived by his parents, Wayne and Linda Thomasson; his uncle and cousins whom he considered brothers, Gerald Griffin and Willie Allen; as well as many aunts, uncles, cousins, nieces, and nephews. His work family and the Saturday morning golf group held a special place in his heart as well.

Mikey's legacy of kindness, humor, adventure, and devotion to his family will never be forgotten.

“ I had the privilege of working alongside Mikey for more than a decade. In our industry, you quickly learn who you can count on — and Mikey was always that guy.

He was steady. He was kind. He was helpful. And he was just a darn good man. Mikey loved his family deeply, served others naturally, and carried himself with the quiet confidence of someone who knew where his hope was anchored.

“But those who hope in the Lord will renew their strength... they will run and not grow weary.” — Isaiah 40:31

We grieve his sudden passing, but we celebrate a life well lived and a legacy that will continue in every life he touched.

Praying for Julia, Dacy, Dalton, and the entire Thomasson family. Mikey will not be forgotten.

“ My sincere condolences to the family. Mikey's passing reminds one of the fragility of life here on this earth and I take comfort knowing that he lived here in preparation for his eternal resting place. Obviously a man a faith, he was always kind, always helpful, always willing. It is a legacy to be proud of and to aspire to. I had the pleasure of getting to work with him several years in Nashville and he was someone to count on for compassion and humor no matter the circumstance. And his face would always light up talking about his family and what they meant for him. He made friends everywhere he went, and always left things better than he found them. Rest in peace my friend.

“ Thomasson Family,

I wanted to reach out and share how much Mikey meant to me, and I hope in some small way it brings you comfort to know the kind of impact he had on the people around him.

Mikey was one of the very first people I met when I joined the Clean Water Nashville Team at Jacobs. From the start, he was the kind of person who said "if you ever need anything, just let me know" and actually meant it. Over my first year, I called him more times than I can count. "Where is this?" "Who do I talk to about that?" "What do I do when this happens?" He never once brushed me off. He never once forgot to call me back. Every single time, he showed up patient, helpful, and kind.

That kind of genuine generosity is rare, and I never took it for granted.

Mikey was also one of the first people to reach out and congratulate me when I started doing stand-up comedy. That meant the world to me. He was always in your corner, celebrating the people around him.

I also remember how his face lit up when he talked about his family especially his son and their time on the golf course together. It was clear that you were everything to him.

He was a joy to work alongside, and the team is not the same without him. I am so deeply sorry for your loss. Please know that Mikey is remembered with tremendous fondness and gratitude.

With heartfelt sympathy,

“ *Time gets away from us. I have not seen Mikey in many years but he is part of almost all my childhood memories around the service station in Bon Aqua. Mikey was a couple years older and started driving first and I can remember the sound of his old stepside pickup passing the school bus on Mill Creek hill almost every morning. Not sure his mom and dad knew about that. Many prayers for family and friends.*

“Blessed are those who mourn for they shall be comforted.” Earth's loss is Heaven's gain. Selfishly, I am broken-hearted to hear of Mikey's home-going, but I know we will meet again. Mikey Thomasson is a good man living his best life now as he basks in the presence of his Lord and Savior Jesus Christ. He heard the words, "Well done good and faithful servant! You were faithful in a few things; I will put you in charge of many things. Enter into the joy of your Lord." I grieve with the family, but may we all grieve not as others do who have no hope, but rest in the full assurance that Jesus' atoning work on the cross was, is, and forever will be sufficient for those who put their trust in Him. "For our sake He made Him to be sin who knew no sin, so that in Him we might become the righteousness of God."

May God's tender mercies be poured out upon the family in this difficult time.
