JJ

“ Mike had a huge heart! He welcomed us into his family with open arms. He was a very sweet and caring brother. We will always love him and will miss him!

“ Mike and I were big friends in high school. We worked endlessly on junky old cars, always with the dream of freedom and mobility. I appreciated his humor and good nature. I remember when he got his first paycheck from Chesley Parrish's service station, and was shocked to find the government had confiscated a big hunk of his pay. "If I'd known they were going to steal it all, I'd have stayed home!" is what he said, storming around the room. Mike was a great pal.

“ Steve I'm really sorry to hear about your brother. I've Been there. But always remember he'll always be in your hart. There will me times that you will see something that will remine you of him. That's the way he'll let you know that he is thinking of you and that he loves you. He'll be your angel watching over you and your family... You'll be in our thoughts and prayers. May God be with you always Rhonda and Frank

“ Uncle Mike was a great guy who loved to come and hang out with dad and the family. I remember him coming to my college graduation and feeling the confidence he gave me as a young man heading into the world. One thing I'll remember and take with me forever was the confidence he had in me. With sorrow comes distress, but with the Lord comes great joy. The book of Psalms proclaims "God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea."--Psalms 46:1-2 If you read this with doubt and distress, keep faith because the Lord is with us for those who believe. The Lord believes in us his children like Uncle Mike believed in me (in all of us). So much so that He gave us redemption in Christ.
