“ Hi Mom, I am sorry it took so long to write this, let alone find how and where to write this. Emotions cant really be put into words but even though it was a wild,fun,tough relationship I am grateful for the time we had. The funny thing is i know you and your witch b*tch spirituality are around me daily. I feel the energy and I am fully aware of the powers you have. Please continue to keep an eye on me from whatever dimension youre in. I love you Mom. I am sorry things happened the way they did but again I am thankful for the fun times we were able to share together. I could probably write a book on ur adventures and become a millionaire. I found out the Cherokee heritage from Scott, and I was so happy to KNOW FOR SURE it ran through my blood as I was told by you. I hope youre happy and free. LOL If you and Robert, Nanny are all hanging out please dont phuck with me from the other realm haha. If you want, even though I know youre around me, you can show some sort of sign other than the others I have been seeing. Theres a LOT I want to say but I believe you can hear my thoughts and prayers so, you understand.. I hope you can fly fast on that broom to keep up with me and my lifestyle LOL "never go faster than your guardian angel can fly"- ;)
