“ We went to elementary school together in the 1950s. He was my buddy. Once we were riding our bikes to the creek and he accidentally pushed me over the bridge and I acted like I was knocked out. He panicked. But it wasn't very high. I wasn't hurt. We laughed. Last time I saw him was at a dance in Pearland as teenagers around 16 years old. Sad to hear of his passing. I'm 81 with good memories.
