“ I was stunned to read in the paper today that Millie had passed away! I knew her through the antique store even before they built the building for it specifically - both she and Mr. Jackson were very special people and a joy to stop in and just talk to. It was so sad to hear of Mr. Jackson's passing and I know that it was an extremely difficult time for her during his illness and after his passing. We had talked several times since his passing but it had been several months since I last talked to her. Every time I passed her home on Summertown Hwy I would wonder how she was doing - I am ashamed that I did not pick up the phone just to check in on her. I had noticed the cars at the house the last couple of days but just thought she had friends or family visiting. I can't tell you how sorry I am for your loss and for the loss to all of those who knew Mildred and Mr. Jackson - they were sincerely two terrific people and will be deeply missed.
