“ *What a dear sweet lady...heaven has a new angel named Ms. Minnie. It was a blessing to have known Ms.Minnie while working with her for occupational therapy. I know she was dearly loved and an inspiration to her family and all who knew her. May sweet memories and God's love bring you comfort always.*

*Sincerely,
Mary Jenkins*

“ *I know none of the family knows me but I am a student at wilson central high school. Every single day in the lunch line at school I would talk to her. She was the sweetest lady I've ever met. I would love to see her smile when I would ask her how her day was going. One day she told me she had a present for me. it was a wilson central magnet. even though it was a magnet I still felt the joy that she thought about me. i kept up with the other lunch ladies weekly to see how Minnie was doing while she was gone. It's weird cause during Christmas break I was thinking about her. Minnie was very sweet and could brighten my day at any second. honestly I feel like she's my guardian angel. I would love to be able to make the funeral, but if I don't then I'm sorry to all the family members for there loss. I hope I'll be able to see her one day in heaven. thanks, Emma ginter.*
