“ Morrison & Jewel was my neighbor's when they lived on LeForge here, and in Ypsilanti, MI. He helped me a lot with my hot water tank and water softener..... and I never saw anybody ever grow such a pretty garden! He was a good influence in my life and I'm sorry to all of his family for their loss.

“ I worked with Morrison at the Ann Arbor Michigan VA for around 7 years I learned a hole lot from him , He was in the Merchant marines and he use to tell about being on the Liberty ships During WW2 and the place he had traveled to. He was working at the Va for the contractors when it was being built in 1952 and hired in as a boiler plant operator in 1954 the year I was born .He trained a lot of young men as operators ther in the 33 years he worked there. Morrison was a good person and helps lots of people over the years with many different things. Sorry for your loss !!
