“ *Sandy and Cecil I hope you read this. Haven't crossed paths in decades but the memories haven't all faded. Cecil do you remember the hammer fragment incident? I don't miss the hot humid Texas summers but do miss having not seen you two in such a long time. Your mom was a special person and I will never forget how we all hung together back then. I trust she is in Paradise now with more work to do. saw my mom last week on her 96th birthday. she is frail and losing her short term memory but can remember everyone's name in old childhood pictures and can tell a story or two. I don't think she has more than a year or two left before she joins her sister. We always called your mom aunt Motor. Trust you two are all doing well. God bless.....Gary Simmons. PS - tell Gayla hi for me. She was just a little girl last I remember. Love you all, sorry I could not be there. I just found out from Johnny yesterday that Aunt Motor passed.*

“ *I absolutely loved Mozell. She was a sweet lady with a huge heart. Last year when I was I'll, she came over to check on me weekly. We would visit and I loved hearing stories about her life. My prayers and love go out to her family. I wish I were able to attend her service, but I have relocated to Florida. I will be there in my thoughts.*
